FROM CONFLICT TO RESTORATION IN THE WORKPLACE

What is your conflict style? Are you an avoider? A compromiser? Do you compete to win your point? Imagine a workplace where you understand the causes of workplace conflict and know how to effectively work with difficult people. Commissioner Joseph Mansolillo, from the Federal Mediation and Conciliation Services, and Dr. Charles Long, Marriage and Family Therapist, will bring their professional knowledge and Biblical principles to help us respond effectively to conflict in the workplace. You will walk away with tools to restore relationships and develop a much less frustrating work environment!

“Let your speech always be with grace, seasoned, as it were with salt, so that you may know how you should respond to each person.” ~ Colossians 4:6
