

Downtown Lawrence Arts District- Final Fridays Application

Downtown Lawrence Arts District is a non-profit created to support the arts and artists in Lawrence, specifically to create and maintain a monthly “Final Fridays” event. “Final Fridays” will occur on the final Friday of each month from 5-8pm. All galleries and retail spaces are encouraged to participate by being open and offering art experiences that include, but are not limited to, visual art, music, dance, and performance.

In addition to traditional exhibition spaces, DLAD will coordinate the use of “flash spaces”. These spaces are empty retail spaces loaned to DLAD with the intent of their being used for the purpose of displaying and/or performing art. These spaces may or may not offer the use of wall and ceiling space, and the decision to allow artists to hang art on walls is solely that of the venue. Artists, curators, and collectives are encouraged to submit application to use “flash space” to DLAD. Street performances are also encouraged. Applications will be reviewed as needed by a committee comprised of Lawrence gallery representatives, members of Downtown Lawrence, Inc., Chamber of Commerce, and Visitors & Convention Bureau. Accepted, complete applications will be assigned to available space by same committee. DLAD reserves the right to cancel installations that are not representative of the proposal submitted in the application. All applications must be submitted electronically.
