

Time Heals

Installation (3 vessels)

Sandra Jean Ceas

Exhibition of this art installation has carried many messages.

It invites a pause and evokes contemplation.

It captures time and creates a space.

A space where what is, what was, and what is yet to become merges into one moment.

A moment to hold.

A moment to oneself.

A moment where you know,

There is a time to cry.

A time to laugh.

A time to remember.

A time to pass.

A time to heal.
