### Small Group Discussion Questions

1. What did you learn (or re-learn) this morning? How often do you consider the reality of death as part of life? Are you confident of where you will be after you die? Why or why not?
2. How should the reality of death impact our willingness to advance the gospel of Jesus Christ and share it with others? Are there people in your neighborhoods, communities, workplaces, families, etc. who need to hear this message?
3. Are you encouraged by the fact that death is not the end of our existence as human beings? What do you look forward to when you think about the resurrection and eternity in the presence of the glorified Christ?
