

The Conversion of Paul
"The Life of the Apostle Paul" part 2
Acts 9:1-8

Paul's "Damascus Road experience" is the most famous conversion in church history. More than that, it is the most significant event in church history since the resurrection of Christ! The story is so important that Luke shares it three times (ch. 9,22,26). St. Augustine called it "the violent capture of a rebel will." The lessons it teaches us will change the way we think.
